

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Communications Technology

Subject Area	Course Code	Course Name
Communications Technology	TGI3M	Communications Technology: Interactive New Media and Animation
	TGP3M	Communications Technology: Photography and Digital Imaging
	TGG3M	Communications Technology: Print and Graphic Communications
	TGR3M	Communications Technology: Radio, Audio and Sound Production
	TGV3M	Communications Technology: TV, Video and Movie Production
	TGI4M	Communications Technology: Interactive New Media and Animation
	TGP4M	Communications Technology: Photography and Digital Imaging
	TGG4M	Communications Technology: Print and Graphic Communications
	TGR4M	Communications Technology: Radio, Audio and Sound Production
	TGV4M	Communications Technology: TV, Video and Movie Production

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Computer Technology

Subject Area	Course Code	Course Name
Computer Technology	TEI3M	Computer Engineering Technology: Interfacing
	TEL3M	Computer Engineering Technology: Electronics
	TEN3M	Computer Engineering Technology: Networking
	TER3M	Computer Engineering Technology: Robotics and Control System
	TEC3E	Computer Technology: Computer Repair
	TET3E	Computer Technology: Information Technology Support
	TEW3E	Computer Technology: Network Support
	TEI4M	Computer Engineering Technology: Interfacing
	TEL4M	Computer Engineering Technology: Electronics
	TEN4M	Computer Engineering Technology: Networking
	TER4M	Computer Engineering Technology: Robotics and Control System
	TEC4E	Computer Technology: Computer Repair
	TET4E	Computer Technology: Information Technology Support
	TEW4E	Computer Technology: Network Support

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Construction Technology

Subject Area	Course Code	Course Name
Construction Technology	TCS3C	Construction Engineering Technology: Construction Management and Science
	TCY3C	Construction Engineering Technology: Civil Engineering
	TCC3E	Construction Technology: Carpentry
	TCE3E	Construction Technology: Electrical/Network Cabling
	TCH3E	Construction Technology: Heating and Cooling
	TCM3E	Construction Technology: Masonry
	TCP3E	Construction Technology: Plumbing
	TCS4C	Construction Engineering Technology: Construction Management and Science
	TCY4C	Construction Engineering Technology: Civil Engineering
	TCC4E	Construction Technology: Carpentry
	TCE4E	Construction Technology: Electrical/Network Cabling
	TCH4E	Construction Technology: Heating and Cooling
	TCM4E	Construction Technology: Masonry
	TCP4E	Construction Technology: Plumbing

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Green Industries

Subject Area	Course Code	Course Name
Green Industries	THA3M	Green Industries: Agribusiness
	THD3M	Green Industries: Landscaping Architecture
	THO3M	Green Industries: Forestry
	THS3M	Green Industries: Horticulture Management and Science
	THF3E	Green Industries: Floristry
	THG3E	Green Industries: Agriculture
	THH3E	Green Industries: Horticulture
	THL3E	Green Industries: Landscaping Construction and Maintenance
	THO3E	Green Industries: Forestry
	THA4M	Green Industries: Agribusiness
	THD4M	Green Industries: Landscaping Architecture
	THO4M	Green Industries: Forestry
	THS4M	Green Industries: Horticulture Management and Science
	THF4E	Green Industries: Floristry
	THG4E	Green Industries: Agriculture
	THH4E	Green Industries: Horticulture
	THL4E	Green Industries: Landscaping Construction and Maintenance
	THO4E	Green Industries: Forestry

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Hairstyling and Aesthetics

Subject Area	Course Code	Course Name
Hairstyling and Aesthetics	TXA3E	Hairstyling and Aesthetics: Aesthetics
	TXH3E	Hairstyling and Aesthetics: Hairstyling
	TXA4E	Hairstyling and Aesthetics: Aesthetics
	TXH4E	Hairstyling and Aesthetics: Hairstyling

Health Care

Subject Area	Course Code	Course Name
Healthcare	TPD3M	Health Care: Dental Services
	TPL3M	Health Care: Laboratory Services
	TPM3M	Health Care: Nursing/Medical Services
	TPP3M	Health Care: Pharmacy Services
	TPT3M	Health Care: Therapy Services
	TPD4M	Health Care: Dental Services
	TPL4M	Health Care: Laboratory Services
	TPM4M	Health Care: Nursing/Medical Services
	TPP4M	Health Services: Pharmacy Services
	TPT4M	Health Care: Therapy Services
	TOC4C	Child Development and Gerontology: Child Development
	TOG4C	Child Development and Gerontology: Gerontology

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Hospitality and Tourism

Subject Area	Course Code	Course Name
Hospitality and Tourism	TFN3C	Hospitality and Tourism: Applied Nutrition
	TFR3C	Hospitality and Tourism: Culinary Arts and Management
	TFT3C	Hospitality and Tourism: Tourism and Travel Planning
	TFB3E	Hospitality and Tourism: Baking
	TFC3E	Hospitality and Tourism: Cooking
	TFE3E	Hospitality and Tourism: Event Planning
	TFN4C	Hospitality and Tourism: Applied Nutrition
	TFR4C	Hospitality and Tourism: Culinary Arts and Management
	TFT4C	Hospitality and Tourism: Tourism and Travel Planning
	TFB4E	Hospitality and Tourism: Baking
	TFC4E	Hospitality and Tourism: Cooking
	TFE4E	Hospitality and Tourism: Event Planning

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Manufacturing Technology

Subject Area	Course Code	Course Name
Manufacturing Technology	TMM3M	Manufacturing Engineering Technology: Mechanical Engineering
	TMR3M	Manufacturing Engineering Technology: Robotics and Control Systems
	TMC3C	Manufacturing Technology: Computer Aided Manufacturing
	TMI3C	Manufacturing Technology: Industrial Maintenance
	TMP3C	Manufacturing Technology: Precision Machining
	TMT3C	Manufacturing Technology: Robotics and Control Technician
	TMY3C	Manufacturing Technology: Welding Technician
	TMO3E	Manufacturing Technology: Machine Operator
	TMS3E	Manufacturing Technology: Sheet Metal
	TMW3C	N/A
	TMW3E	Manufacturing Technology: Welding
	TMM4M	Manufacturing Engineering Technology: Mechanical Engineering
	TMR4M	Manufacturing Engineering Technology: Robotics and Control Systems
	TMC4C	Manufacturing Technology: Computer Aided Manufacturing
	TMI4C	Manufacturing Technology: Industrial Maintenance
	TMP4C	Manufacturing Technology: Precision Machining
	TMT4C	Manufacturing Technology: Robotics and Control Technician
	TMY4C	Manufacturing Technology: Welding Technician
	TMO4E	Manufacturing Technology: Machine Operator
	TMS4E	Manufacturing Technology: Sheet Metal
	TMW4C	N/A
	TMW4E	Manufacturing Technology: Welding

Appendix C. Course Codes for Emphasis Courses in Technological Education, Grades 11 and 12 (2009)

Updated: December 2022

Technological Design

Subject Area	Course Code	Course Name
Technological Design	TDA3M	Technological Design: Architectural Design
	TDM3M	Technological Design: Mechanical and Industrial Design
	TDP3M	Technological Design: Apparel and Textile Design
	TDR3M	Technological Design: Robotics and Control System Design
	TDV3M	Technological Design: Interior Design
	TDA4M	Technological Design: Architectural Design
	TDM4M	Technological Design: Mechanical and Industrial Design
	TDP4M	Technological Design: Apparel and Textile Design
	TDR4M	Technological Design: Robotics and Control System Design
	TDV4M	Technological Design: Interior Design

Transportation Technology

Subject Area	Course Code	Course Name
Transportation Technology	TTA3C	Transportation Technology: Auto Service
	TTB3C	Transportation Technology: Auto Body
	TTH3C	Transportation Technology: Heavy Duty and Agricultural Equipment
	TTL3C	Transportation Technology: Light Aircraft
	TTS3C	Transportation Technology: Small Engine and Recreational Equipment
	TTT3C	Transportation Technology: Truck and Coach
	TTA4C	Transportation Technology: Auto Service
	TTB4C	Transportation Technology: Auto Body
	TTH4C	Transportation Technology: Heavy Duty and Agricultural Equipment
	TTL4C	Transportation Technology: Light Aircraft
	TTS4C	Transportation Technology: Small Engine and Recreational Equipment
	TTT4C	Transportation Technology: Truck and Coach
